BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of San Diego Gas & Electric Company (U 902 G) and Southern California Gas Company (U 904 G) for Authority to Integrate Their Gas Transmission Rates, Establish Firm Access Rights, and Provide Off-System Gas Transportation Services.

Application 04-12-004
(Filed December 2, 2004)

**RULING OF THE ASSIGNED COMMISSIONER AND ADMINISTRATIVE
LAW JUDGE REGARDING THE MOTION FOR LEAVE TO
SUBMIT REVISED DIRECT TESTIMONY**

This ruling addresses the June 13, 2006 motion of San Diego Gas & Electric Company (SDG&E) and Southern California Gas Company (SoCalGas) for leave to submit their revised direct testimony, and to shorten the time for parties to respond to the motion.

In an e-mail to the service list on June 14, 2006, Chief Administrative Law Judge Angela Minkin granted the request of SDG&E and SoCalGas to shorten the time for parties to file a response to the motion. June 21, 2006 was established as the date for filing responses to the motion.

On June 21, 2006, a joint response to the motion was filed by Coral Energy Resources, L.P. and thirteen other parties (referred to herein as Coral et al.). A separate response to the motion was filed by the Southern California Generation Coalition (SCGC) on June 21, 2006.

A reply to the responses was filed by SDG&E and SoCalGas on June 23, 2006.

SDG&E and SoCalGas seek permission to submit their revised prepared direct testimony for the evidentiary hearings that are scheduled to begin on August 7, 2006. The revised prepared direct testimony of Stephen A. Watson, Rodger R. Schwecke, and Allison F. Smith accompanied the motion. The revised prepared direct testimony was prepared as a result of the May 30, 2006 Settlement Agreement reached between Southern California Edison Company, SDG&E, SoCalGas, and Sempra Energy. That Settlement Agreement affects issues in several different pending proceedings, including this one.

The revised direct testimony that SDG&E and SoCalGas submitted on June 13, 2006 made the following changes as shown in the redlined version of the revised direct testimony. In the revised prepared direct testimony of Watson, ten lines of changes were made at pages 17 and 18, and an additional footnote was added. In the revised prepared direct testimony of Schwecke, 12 additional lines were added at page 17, and a number of changes were made to the tariff pages attached to his testimony. In the revised direct testimony of Smith, 22 lines of changes were made at pages 6, 12, and 13.

Coral et al. and SCGC do not oppose the motion of SDG&E and SoCalGas so long as the procedural schedule is extended by at least six weeks. Coral et al. assert that an extension of time is needed in order to understand the provisions of the Settlement Agreement, and Attachment A of the Continental Forge settlement reached in the Superior Court for the County of San Diego, and how those provisions will impact this proceeding. SCGC requests the additional time to conduct discovery and to gain a better understanding of how the Settlement Agreement will impact this proceeding.

SDG&E and SoCalGas assert that an additional six weeks is not needed because the responses to their motion exaggerate the effect of the Settlement

Agreement on this proceeding, and many of the issues addressed by the Settlement Agreement and the Continental Forge settlement have been excluded from this phase of this proceeding.

We have reviewed the Settlement Agreement and the relevant portions of the agreement reached in the Continental Forge lawsuit. In addition, we have reviewed the arguments of the parties as set forth in the motion, the responses, and in the reply. We believe that there is sufficient time in the existing procedural schedule for all of the parties to react to the changes that were made to the revised prepared direct testimony of the witnesses for SDG&E and SoCalGas.

In order to provide the other parties with sufficient time to develop their prepared testimony, we will change the due date for serving the prepared direct testimony of the other parties to July 14, 2006, and for serving the prepared rebuttal testimony to July 31, 2006. In addition, we shall require SDG&E and SoCalGas to respond to the other parties' data requests relating to this phase of the proceeding within five business days. Although this will result in less time for SDG&E and SoCalGas to respond to the data requests concerning how the provisions in the Settlement Agreement and Continental Forge agreement impact this proceeding, and to explain the changes to the revised prepared direct testimony, this will provide the other parties with adequate time and information to prepare their responsive prepared testimony.

Accordingly, the procedural schedule will be changed as follows.

All other parties to serve their responsive prepared testimony on the service list.	July 14, 2006
All parties to serve their prepared rebuttal testimony.	July 31, 2006

The telephone prehearing conference for August 1, 2006, at 11:00 a.m., and the evidentiary hearing dates shall remain unchanged.

Therefore, **IT IS RULED** that:

1. The June 13, 2006 motion of San Diego Gas & Electric Company (SDG&E) and Southern California Gas Company (SoCalGas) for leave to submit their revised direct testimony is granted as set forth below.
2. The procedural schedule for this proceeding shall be changed to reflect the new dates for the service of the responsive prepared testimony on July 14, 2006, and the prepared rebuttal testimony on July 31, 2006.
3. The request of the other parties, as contained in their responses to the June 13, 2006 motion, to extend the procedural schedule by six weeks is denied.
4. All other dates set forth in the procedural schedule in the April 17, 2006 ruling shall remain unchanged.
5. SDG&E and SoCalGas shall respond to all data requests relating to this phase of this proceeding within five business days.

Dated June 27, 2006, at San Francisco, California.
